Van Maroevich, President and CEO of MOC Insurance Services and Fred S. Nagle, III, President of San Francisco Insurance Center, proudly announce that SFIC has joined MOC effective September 1, 2011.

MOC Insurance Services provides risk management and employee benefits consulting services within specialized industries across the U.S. The combined entity creates an organization with 65 professional employees servicing clients nationwide with total annual premiums exceeding \$100 million.

“We continue to strengthen client services and maintain focus in the specific industries we serve. We will channel our risk and claims management expertise into the industries of real estate, entertainment, wineries, thoroughbred racing, agriculture, marine and aviation while continuing to build one of the largest independent insurance brokerages in Northern California.” Van Maroevich reaffirmed the company’s commitment to unsurpassed client service which will guide their strategy toward continued growth.
